**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the California Infrastructure and Economic Development Bank ("Board"), as follows:

**Section 1.** Based upon information presented at the meeting where adoption of this resolution was presented and the staff report presented to the Board, the Board makes the following findings:

(a) Applicant meets the definition of "sponsor" pursuant to Government Code Section 63010 (u) and is thus an eligible recipient of financing;

(b) The Project meets the definition of "public development facility" pursuant to Government Code Section 63010(q) and is thus an eligible project to be financed;

(c) The categories of Project costs proposed to be paid with ISRF Program funds meet the definition of "Costs" pursuant to Government Code Section 63010(f) and thus are eligible for ISRF Program financing;

(d) Applicant adopted a resolution consistent with the requirements of Government Code Section 63041;

(e) Applicant meets the "need for I-Bank financing" and "readiness to proceed" criteria contained in the Criteria;

(f) Applicant and Project are eligible for tax-exempt financing under Federal law, without an allocation of private activity bond volume cap as required in the Criteria;

(g) The Project will not result in a "business relocation" as defined in the Criteria;

(h) The proposed financing complies with the underwriting criteria and sources of loan repayment specified in the Criteria; and

(i) The proposed Project is financially feasible, with all Project funding sources identified and committed.

**Section 2.** The Board hereby approves the lending of ISRF Program funds to the Applicant, subject to the execution of a financing agreement between the I-Bank and the Applicant pursuant to the terms and conditions specified in Attachment A to this resolution, and provided that the reimbursable costs are consistent with Resolution 09-06 approved by this Board on February 24, 2009.

**Section 3.** The Chair or the Executive Director and the Secretary of the Board, each acting alone, is authorized to execute all documents, certificates and other written agreements reasonably necessary to effectuate the financing of the Project authorized by this resolution. The authority to execute financing documents shall expire automatically two hundred and ten (210) days from the adoption of this resolution, or at such later date not later than the date three hundred sixty (360) days of the adoption of this Resolution as approved by the Executive Director of the Issuer.

**Section 4.** This resolution and the Board's approval do not constitute an unconditional commitment to finance the Project, but instead sets forth conditions that shall be met prior to the execution of any financing agreement between the I-Bank and the Applicant, and the terms and conditions that shall be contained in any such agreement. The financing agreement shall also include those conditions and agreements on the part of the Applicant that, in the best judgment of the Chair or the Executive Director, as the party signing such agreements on behalf of the I-Bank, are necessary or reasonable to adequately protect the interests of the I-Bank. Attachment A sets forth minimum terms and conditions to the execution of any such agreement and does not contain conditions of sufficient specificity to constitute a commitment to finance.

**Section 5.** The Board hereby declares its reasonable official intent to use proceeds of tax-exempt bonds to reimburse the Applicant for the Reimbursable Expenditures as authorized by this resolution.

**Section 6.** This resolution shall take effect from and after its adoption.
